

### **Ormiston Denes Academy Enrichment Charter**

Our aim is to inspire young people to develop their skills, talents and character through a wide range of activities, to use their curiosity and creativity to find new ways of achieving their potential and to have the confidence, drive and resilience to follow their dreams.

We want every Ormiston Denes Academy student to have the opportunity to:

- 1. Experience the Arts and Culture** through visiting galleries and museums; attending live theatre, dance and classical music performances; participating in school productions; understanding world arts, culture, music, art and dance; appreciating arts and culture in a wide range of media and styles, both inside and outside the academy.
- 2. Experience the world of sport** through attending professional events/games, participating in competitive sports, developing their own knowledge and understanding of healthy living.
- 3. Visit British places/regions outside our local community** through trips or visits to other British cities/regions to broaden their horizons.
- 4. Experience cultures and countries inside and outside the UK** through overseas trips, exchange visits, and collaborative links with schools to promote respect and tolerance for other cultures and ethnicities.
- 5. Be a good neighbour within our local schools and our local community** through volunteering, fund raising, supporting local organisations/groups, supporting transition activities, and being involved with community events to build mutual respect.
- 6. Experience the world of work** through enterprise activities, work experience, internships, business links, collaborative projects, external mentoring.
- 7. Develop character** through developing life skills including leadership, communication, teamwork, problem solving, confidence building, motivation and resilience.
- 8. Make a positive contribution to society** by, for example, mentoring younger students, running a club, or involvement in student leadership.
- 9. Understand and promote British values** through developing an understanding of current affairs in the UK and across the world, understanding democratic processes, rights and responsibilities, and understanding issues that affect our health and emotional well being.
- 10. Develop lifelong interests and skills for life**, by, for example, cooking, eating in a restaurant, self expression, financial literacy and budgeting, planning a journey, understanding the influence media and technology has on society.
- 11. Learn outside the classroom** through expeditions; learning survival techniques, scientific investigations/fieldwork, self sufficiency, developing understanding and appreciation for the environment//nature/countryside.
