Dear Parent/Carer

Year 11 Revision Raising Achievement Evening - Monday 17th December 2018

With mock GCSE examinations only a few weeks away, it is crucial that «Forename» feels prepared and is ready to approach the exams with confidence. Having a balanced and effective revision programme is key to «Forename»'s success. Over the Christmas break you will be playing a crucial role in supporting «Forename» to revise for the mock exams.

With this in mind I would like to invite you to our next **Raising Achievement Evening on Monday 17th December from 6.00pm – 7.30pm**. During the evening you will be shown, and have a chance to experiment with, a range of revision strategies that you can use to support «Forename» in their revision over the Christmas break.

The evening will include the following informative and practical presentations:

- Effective revision planning tips to reduce stress.
- Research backed revision strategies and techniques for improved exam success.
- Specific strategies to support revision across all subjects.

Your attendance at the Revision Raising Achievement Evening will support «Forename»'s confidence going into their mock examinations starting Monday 7th January 2019.

There will be complimentary festive food and refreshments during the evening for all in attendance. I look forward to seeing you on Thursday 17th December at 6.00pm.

Please use the reply slip to indicate your attendance for the Raising Achievement Evening.

Yours faithfully

Mr Ben Jones

Director of Year 11 - Raising Achievement

Please return to your child's tutor or the Raising Achievement Centre by Monday 10th December 2018.

Revision Raising Achievement Evening.
