

ORMISTON DENES ACADEMY

6th February 2019

To the Parent/Carer of:

Dear Parent/Carer

Report 3 – February 2019

I write enclosing your child's third report of the academic year and would be grateful if you could spend some time discussing this with them and make plans for the rest of the year.

The report is a clear indication of how well teachers feel they are doing following both their mock examinations and any controlled assessments completed so far. Please find enclosed a guidance sheet which explains the different headings, as well as suggestions for how to go through the report with them. The Attitude to Learning scores are especially important.

The second Year 11 Parents' Evening is taking place this week on Thursday 7th February and is the ideal opportunity to get further information on how to support them in moving towards achieving their target grades. Should change be necessary, this will be one of the last opportunities for them to improve as their final examinations are now fast approaching.

So that you can see detailed feedback for individual subjects; showing how they can progress to the next level, we recommend that they bring home their exercise books or marked assessments. Even if not every week, this will enable you to see the work they have been completing in class and their teachers' feedback detailing how they can improve.

We have enclosed the Assessment Overview for the remainder of this term so that you can help prepare them for upcoming assessments.

At Ormiston Denes, we value the contribution the students make towards our academy and community. There is a high expectation that the students work hard, but they are also rewarded for their effort, positive behaviours and endeavours.

The table below shows the positive and negative points «Student» has accumulated so far this academic year.

Autumn Term Positive Points	Prom Points	Number of Negative Slips							
		Missing Equipment	Missing Homework	Level 2 Written Warning	Level 3 Lesson Removal	Level 3 Community Conduct	Level 4	Mobile Phone/Gadget Use	Lates

The final report of the academic year will be published during the week beginning 1st April. There will also be the second Year 11 Raising Achievement Evening on Thursday 4th April. If you have any questions between the Parents' Evening and this date, please do not hesitate to contact your child's form tutor or individual class teachers, where appropriate.

We cannot emphasise enough the importance of regular attendance to lessons and consistently high levels of effort, if students are to achieve the grades they are capable of.

Yours faithfully

Mr P Dougherty
Assistant Principal: Assessment and Curriculum

Mr B Jones
Director of Year 11
