

Parent Champions Needed

Our ongoing development plan for the future requires a greater engagement with parents who are supportive of our academy and have ideas to improve the education we provide still further.

We need parents who are able to provide helpful, constructive feedback to the academy, with a focus not just on your child, but more general school improvement.

If this is something you would like to do, we invite you to a taster session on Wednesday 10th July 2019, in our assembly hall, between 6pm and 8pm. You will meet two of our parent governors who are responsible for carrying forward the group’s feedback and recommendations to the principal and other governors.

Please confirm your attendance by emailing swatson@ormistonden.es.co.uk by 5pm on Monday 8th July or by returning this invitation having completed the below.

I wish to confirm my attendance on Wednesday 10th July to the Parent Champion taster session.
