

ORMISTON DENES ACADEMY

15th May 2020

Dear Parent/ Carer

I have no doubt you will have heard in the news about schools opening for particular groups of students, although the message is vague it does seem to imply the 1st June is when this may be happening. I'd like to reassure you that I am in constant contact with the Academies Trust and that certain criteria will have to be met before we open. When a decision is made, we will contact you immediately. It is worth highlighting that regardless of the re-opening date, we will be phasing the introduction of groups of students over a period of time.

We continue to do on line learning for our students and for those few who require hard copies, new packs will be going out from 1st June. Please have your child's completed work ready to be collected for marking on this date.

A note that the safeguarding area of our website has been updated with the latest information and links. Reporting can still be done via our website, click on the CEOP link and the bottom of the home page, or you can phone the school if you have any concerns.

A message for students from our Modern Foreign Languages Department - *ActiveLearn is updating this weekend and won't remember any saved login details - you will have to re-enter them to log in. Just in case you've forgotten, most of your usernames are your first and last name with capitals but no spaces (eg: JohnSmith) and the passwords are French2020 / Spanish2020 / German 2020. A few of you have an additional -AL at the end of your username (you will have been told if it's you) and some of you have random numbers after your username. However, if you have any problems logging in, please email Mrs Kingman (rkingman@ormistonden.es.co.uk).*

I hope you have a nice weekend, and stay safe.

Yours faithfully

Jim Nixon
Principal
