

ORMISTON DENES ACADEMY

12th June 2020

Dear Parent/Carer

As you know, we are looking forward to welcoming back some of our Year 10 students from Monday 15th June. I do realise that this is very difficult for those who are having to continue to rely on online and home learning, however we are expanding our provision and working hard towards providing our students with various “live” online lessons. You can read more about how this is taking shape on our website shortly. Initially, this will be for Year 10 students but soon afterwards, we will expand this to include all year groups.

During this time we have been fastidious in following the government guidelines regarding health and safety for our staff and students and with some additional students joining us on Monday, we have put some photos and instructions on our website to show how our current practices look, and the guidelines to follow. This is to reassure our parents and students who are coming into school but also we hope the whole community can see that as much as we are able, we are keeping your children safe to reduce the chances of contamination within your community. You can view the guidelines at <http://www.ormistonden.es.co.uk/pastoral/safeguarding/>

It is worth noting however that OAT are continually tracking the R level in all regions and will contact schools should the number go above 1; because in such circumstances it is likely the extended opening of the school does not go ahead.

I hope you all continue to stay alert and more importantly, stay safe.

Yours faithfully

Mr Nixon
Principal
