

ORMISTON DENES ACADEMY

26th June 2020

Dear Parent/Carer

I hope you all remain well and continue to stay safe in our communities.

I would like to draw your attention to our website and to some of the work that is taking place in school regarding health and safety for our students, although this currently only applies to Year 10 and our vulnerable /key worker groups it will give you a taste as how we will look to format the school in September. Click here for a direct link to the website information. <https://bit.ly/ODAHandSMasures>

For your information, the school will be closed over the summer holiday.

As you would expect we are planning for a variety of scenarios with regards to our students returning but with safety always at the very heart of what we are doing. As you will have seen from our published term dates 2020-2021, students are due back in school on Thursday 3rd September. However, I suspect announcements will not be made until August regarding the details of this and we will of course let you know as soon as we know. We are looking forward to having more students back in the building.

We will open for GCSE results day on Thursday 20th August and the students involved will receive an invitation confirming the time slot they have been allocated to come into school to collect their results. If a student does not want to collect their results personally, alternative arrangements will be in place to post them out.

The timetable for the Year 10 on-line learning next week is attached, and can also be found on our website. Click here for a direct link to the timetable <http://www.ormistonden.es.co.uk/academic/curriculum/>

I hope you all continue to stay alert and more importantly, stay safe.

Yours faithfully

Mr Nixon
Principal
