Dear Parent / Carer

**Re: Complete GCSE and Vocational Qualification Results Slip and GCSE November Retakes Update**

I am pleased to confirm that we have now been able to write to your son/daughter with any outstanding vocational qualifications results. They will receive in the post an updated results slip containing all their results and this information is also available on Go4Schools. They will also get an updated version of the Ofqual Student Guide to Results which was in their envelopes on results day.

In line with Ofqual's announcements, any student who feels that their GCSE grades from the summer do not reflect their ability will have the opportunity to take their GCSE exams. These GCSE exams will take place between the 2nd and 23rd November. They are only able to retake a GCSE exam that they were entered for in the summer.

Following this retake, they will be able to use the higher of the two grades for future progression.

We have advised your son / daughter that if they wish to be entered for one or more exams in this autumn series, to email our Exams Officer, Mrs Kerri Turk, on [kturk@ormistonden.co.uk](mailto:kturk@ormistonden.co.uk) There is no cost to your child for these retakes, however we must have had confirmation of which subjects they wish to retake by **Thursday 17th September 2020** otherwise we will not be able to enter them for these exams.

Yours faithfully

Philip Dougherty  
Assistant Principal
